Henry Dunant Memorial Moot Court Competition: Rules and Guidelines

1. Introduction

The International Committee of the Red Cross (ICRC) is a private, independent humanitarian organisation, based in Geneva, Switzerland. The ICRC has been conferred a mandate by the international community to protect and assist persons affected by armed conflict.¹ This mandate includes the promotion and development of International Humanitarian Law (IHL), including in times of peace. In the fulfilment of this responsibility, the ICRC is active in disseminating and promoting IHL in academic circles. This includes developing IHL curricula for universities, conducting university teacher training programmes in IHL and organising events such as the Henry Dunant Memorial Moot Court Competition.

1.1. The Moot Court

In 2001, ICRC Regional Delegation for South Asia initiated the Henry Dunant Memorial Moot Court Competition, with the aim of promoting better awareness of IHL among law students at universities throughout India. This competition is named in memory of Mr Henry Dunant, the co-founder of the ICRC and the Red Cross and Red Crescent Movement in 1863.

The success of the competition prompted the ICRC, in collaboration with its partner organisation for this activity, the Indian Society of International Law, to expand the Moot Court beyond India in 2005. As a result, in 2005 the Henry Dunant Moot Court Competition was expanded in the region, drawing teams from countries across South Asia.

The Asia Pacific Moot Court competition in Hong Kong will follow national competitions (as applicable) that will take place in each participating country. Winning team from each of the respective countries will participate in the Asia Pacific Moot Court competition in Hong Kong, which will be held approximately in March 2026, three months after the completion of national level competitions.

1.2. Objectives

The principal objective of the Henry Dunant Memorial Moot Court Competition is to develop an increased awareness and interest in IHL in academic institutions throughout South Asia. A further objective is to use IHL to further academic excellence in the student community, and to develop their advocacy skills in an environment of friendly competition.

¹ The ICRC's initial mandate is derived from the 1949 Geneva Conventions and their 1977 Additional Protocols. The ICRC's mandate was expanded by the Statutes of the Red Cross and Red Crescent Movement, which were agreed upon by the States Parties to the Geneva Conventions.

2. Administration and General Rules

The official name of the competition is *The Henry Dunant Memorial Moot Court Competition* (the "*Moot Court*").
