Vacancy Announcement

Vacant Position: Digital content creator

Type of contract: Individual contract

Duration of assignment and activity rate: Three months with the possibility of extension, with 80% activity rate (Preferably from Sunday to Wednesday, with the possibility of changes if needed)

Place of work: Tehran, Iran

A. Background & Purpose

The International Committee of the Red Cross (ICRC) is an impartial, neutral, and independent organisation whose exclusively humanitarian mission is to protect the lives and dignity of victims of armed conflict and other situations of violence and to provide them with assistance.

In Iran, the ICRC promotes International Humanitarian Law (IHL) and works with the authorities to address the consequences of the 1980-1988 Iran-Iraq war, particularly the issue of missing persons.

The ICRC also contributes to the humanitarian response of migrants. We work closely with the Iranian Red Crescent Society (IRCS), National Committee on Humanitarian Law (NCHL), and other partners.

In order to strengthen our capacity to produce timely, high-quality visual content, the ICRC needs a digital content creator to develop professional photo, video, and multimedia products that effectively document and communicate the organization's humanitarian activities in Iran. The position will support the creation of compelling visual stories, enhance the visibility of our work, and contribute to communication, public engagement, and institutional outreach efforts.

B. Key Responsibilities

- Produce high-quality photo, video, written, and multimedia content that showcases the ICRC's humanitarian activities in Iran.
- Capture professional photography and videography in the field, at events, and during institutional activities.
- Develop engaging, human-centered stories and multimedia products that highlight humanitarian issues and operational activities.
- Collaborate with colleagues to collect, edit, and deliver content in line with ICRC communication standards, ethical principles, and visual identity guidelines.

ICRC
